

Meet Your Speaker

Betsy Bartter Muller, MBA, Human Energy Health Expert
Positive, Authentic, High Energy, Inspiring!

Audiences consistently report feeling positive, energized and ready to tackle challenges used to seem impossible after attending this best-selling author's programs. Even the most skeptical will come away wondering what just happened!

Betsy Muller's diverse life experiences as chemist, oil company executive, medical practice manager, wife, mother, holistic coach, certified EFT practitioner, business owner, NSA professional speaker, TV guest and BEST SELLING AUTHOR deliver high energy, and relevance. Betsy shares practical solutions to work/life challenges and empowers her clients to take charge of choices, habits, personal responsibility and daily self-care. This former Chamber of Commerce President, non-profit board member and respected community leader is a gifted facilitator and a recognized specialist who brings people together through trust, communication and service. Betsy will help your participants take action, treat each other with greater respect, generate creative solutions and build highly positive relationships with customers, coworkers and everyone they meet. Betsy serves as authentic example of health and success by visibly living the principles she shares.

TESTIMONIALS

"Your presentation was energetic and informative, and the audience loved it. I truly hope that the listeners, including myself, use the techniques that you gave us and at a minimum, realize that these tools are there for us to take advantage of."

— Margey Lowery - Owner, Ladies Who Launch Cleveland.

"From start to finish, Betsy cared about my attendees and delivered two programs that entertained, motivated and inspired. If you are looking for an enthusiastic and knowledgeable speaker, you can trust Betsy to deliver."

— Tracie L Thompson - President, North Dakota State Horticulture Society
